

Model fitting and inference for infectious disease dynamics

Tuesday, 16 June

from 9:00 Registration
10:00 Welcome and introduction
12:30 Lunch
13:30 Fitting deterministic models
17:30 Close

Wednesday, 17 June

9:30 Fitting stochastic models I
12:30 Lunch
13:30 Fitting stochastic models II
17:30 Close

Thursday, 18 June

9:30 Fitting stochastic models III
12:30 Lunch
13:30 Open session
17:00 Close
19:00 Course dinner

Friday, 19 June

9:30 Further methods and packages
12:30 Lunch
13:30 Further methods and final discussion
15:00 Close

Tea and coffee will be provided during the sessions.
